

CALLING ALL PARENTS

Join Just Between Friends Today!

Our PTA is using Just Between Friends

This year, we'll use Just Between Friends to communicate with the entire school and conduct our PTA business. It's a free online system provided to us by National PTA that helps to simplify our tasks and earn revenue so we can continue to be a strong voice for our children.

You'll be receiving an invitation from us to join our PTA communications group in Just Between Friends. Please accept the invitation so we'll be able to keep you informed about what's happening at our school.

Just Between Friends is a Private, Secure System

When you accept our invitation to join Just Between Friends, rest assured that it is a private and secure network. Your information will never be rented, sold or shared. Visit www.JustBetweenFriends.com to read their strict privacy policy.

Organize your Family's Activities with Just Between Friends

You'll receive emails from our PTA regarding school events, announcements & deadlines that are posted to your start page.

If you have children in one or more schools that use Just Between Friends, you'll only need one household account to receive communications and see events and reminders posted to your start page and calendar from all of the other groups that you join.

The Benefits of a Personal Household Calendar & Contact List

You'll have a personal household customizable calendar to see the events and deadlines we emailed you – plus you can add other family activities and appointments to the calendar and print it out.

You'll be able to create your own contact list, create circles of people who you communicate with frequently and send personal household messages to those people in your circles.

Our PTA looks forward to having you join our communications group in Just Between Friends. So, please accept our invitation. It'll only take you a few minutes and joining will help strengthen our PTA and simplify your life!
